

Qualified URLs
Radio amateur pages
Радиолюбительские странички

Клик левой кнопкой мыши на любой ссылке запустит используемый по умолчанию браузер и передаст ему эту ссылку.

The callsigns used as search patterns for the "Qualified URLs" list are automatically taken from Cluster DX spots.
Ham radio dx-cluster monitor software - Copyright © 2013 Georg Einfalt (DL5NO)

Позывные, используемые в качестве шаблонов поиска для списка "Квалифицированные URL" автоматически берутся из DX кластера.

The callsigns used as search patterns for the "Qualified URLs" list are automatically taken from Cluster DX spots.
The software tries to find uris containing amateur radio content in several toplevel domains (.com, .org, and country specific like .de or .fr).
